Check-In — Map Gallery and Regional Workshop Results:

View statewide maps of important natural resources from Resources Agency departments, urban growth projections, conservation planning efforts and more. Gain insights on regional values for conservation. Take a test drive with the *California Digital Conservation Atlas*.

10:30-11:30

Welcome and Acknowledgements: California Resources Secretary, Mary D. Nichols

Spotlight on the California Legacy Project: Madelyn Glickfeld, Assistant Secretary, California Resources Agency

A View from the Beginning: Former Assemblywoman Virginia Strom-Martin

The Importance of the California Digital Atlas and the Legacy Project: a national and international viewpoint: Jack Dangermond, President, ESRI

11:30 – 12:00

Discussion: Questions and comments on presentations

12:00 – 1:00

Lunch: Enjoy lunch courtesy of the Legacy Project's regional workshop sponsors. Visit the map gallery and workshops' information area. Meet and informally discuss the Project with agency directors, Advisory Committee members, regional workshop participants, and Legacy staff.

1:00 – 2:00

Panel Discussion — *The Path Best Taken*: Spotighting examples around the state that link conservation priorities with innovative solutions and offer both environmental and economic benefits. Moderator: Jeff Loux, Director, Land Use & Natural Resources, UC Davis Extension; Panelists include: Steve Frisch, Director, Natural Resources, Sierra Business Council; Robert Copper, Deputy Chief Administrative Officer, County of San Diego; John McCaull, California Regional Director, American Farmland Trust.

2:00 – 3:00

Stakeholder Advisory Committee discussion
